

Issue No. 9: 15 June 2018

Dear Families

This week our students participated in Inter-school Cross Country events, Skyped into a Climate Change conference and our Café class prepared tasty meals for staff.

Inter-school Cross Country

This week both Primary and Secondary students participated in Inter-school Cross Country events. Primary students went to Geilston Bay while Secondary students travelled to the Police Academy at Rokeby for their event. All students participated to the best of their ability and their behaviour was a credit to our school. Congratulations to all students involved and thank you to our staff and parents who supervised students.

Volunteers and Visitors to School

As part of the new Education Act, the Department of Education has new policies and procedures in place for volunteers and visitors to our school. These procedures cover respectful language and behaviour while on school property. We expect everyone who comes onto school property, adults and students, to behave in a respectful and appropriate manner. A fact sheet is included with this Newsletter. If families have any queries about this new policy please contact me via the School Office.

Administration Area

Students are not permitted to enter the school through the front doors unless they are accompanied by an adult. The front doors are only for adults to enter our school. If your child needs to make a bus change, or go to the office for another reason, they need to walk via the internal stairs and wait at the window for Administration staff to assist them. Students have been made aware of this at assemblies and we ask parents to reinforce this message at home.

Every day counts in your child's learning journey. We are here to support children and their families. If your child is nervous about coming to school or experiencing other difficulties, please ring the School Office and make an appointment to see your child's class teacher or a member of Senior Staff so we can work with you to support your child's learning.

With best wishes,

Michelle Waldock A/Principal

SECONDARY CROSS COUNTRY

The Annual School Cross Country was held last Thursday the 31st of May. The day was a typical cross country day with a mix of sunshine, drizzle and a bitterly cold wind throughout. That didn't deter our students though as they just wanted to get on with the job at hand, pleading to start their races early rather than wait until the scheduled time.

The Grade 10 boys set out first followed by the Grade 9 boys as they have the furthest to run (6km). Alexi Bancal and Reef Templar were easily the first back in their respective age groups.

Next up the Grade 10 girls were off and racing with Chloe Cashion toughing it out for a good win, then Lizzie Shoobridge left the other Grade 9 girls in her wake as she blitzed them to win by more than 5 minutes.

The Grade 8 boys had the most participants, with Brandon Little claiming the honours and Jasby Griffiths took out the Grade 7 boys race.

Melanie Shoobridge won a very competitive Grade 8 girls race, while the race of the day was the Grade 7 girls with Rianna Sharman and Edie Little neck and neck the whole way until the last 10 metres with Rianna taking the win.

With 10 points for a win, 8 points for 2nd, 6 points for 3rd, 4 points for 4th, 2 points for 5th and everybody else to complete the race gets 1 point, at the end of the day the total house points were as follows;

Hauy 220 Pillar 205 Raoul 194

Congratulations to Hauy and everybody who participated.

There will be more Cross Country news in the next newsletter.

9/10 Sustainable Food Production & Lend Lease on the school farm

The students have been working on a number of sustainability projects with their Lendlease Team of international delegates. The projects included building a pig rearing facility from recycled tin, restoring an old box and a clipping frame for the Cattle Handling Team and building a rabbit cage for our meat rabbit enterprise.

Ashtyn

I like the cows because they are cool!

Audrey

I like cow handling because they are fun and I love being around them.

Hobart Chargers

On Friday 1 June the Tasman players and some family members attend the Hobart Chargers basketball games held at the DEC in Hobart.
