

Issue No. 11: 28 June 2018

Dear Families

This is our last newsletter for Term 2 and also our last Newsletter that will be sent home to families as a hard copy. From Term 3 our newsletter will be e-mailed out to families and available on our school website. If families require a hard copy they will be available from the School Office.

Students off-campus

A reminder to all families that students are not to leave school grounds after disembarking from buses in the morning. Recently there have been instances of students getting off the school bus and leaving the school grounds to visit the bakery before school. This is not ok. Students are not covered by our legal duty of care if they are in the wrong place at the wrong time. This practice is a serious breach of student safety as if an accident occurs then the school is unaware of the students whereabouts. Please remind your children to stay on school grounds after disembarking from buses in the mornings. If students are not in class because they are in the bakery, parents and then the police will be notified to return the student to school.

Reports and Parent-Teacher Interviews

Our major reports for the year will be sent home to parents on Friday this week. These reports reflect your child's progress to date. Please take the time to read the report with your child and discuss its contents. If you have any queries or concerns about your child's report, please make a parent-teacher appointment via our online booking system to meet with your child's teacher.

Staffing

We farewell some staff and welcome back others this week. Our groundsman, Peter Lynema, has resigned from the Department and is leaving to pursue other interests. We thank Peter for his hard work and dedication to the school and wish him all the best. Jackie Brown is taking a term's leave to care for her mother in the UK and will return in Term 4. We are in the process of appointing someone to fill her role. We welcome back our Principal, Ted Barrance, from his sojourn in the hotter parts of the country. Ted will resume his role from the beginning of next term.

This is my final newsletter as Acting Principal. I will resume my Assistant Principal role in Term 3. I would like to thank the staff, students and the community for their support and encouragement over the past term and a half. I look forward to continuing to work with parents and their children next term. Term 3 will begin on Tuesday 24th July and I wish families a relaxing and restful holiday break.

With Best Wishes

Michelle Waldock
A/Principal.

Congratulations to all those students who participated in the Cross Country Fun Run. Everybody trained well in their Physical Education lessons leading up to the event and some people worked hard to fundraise as well.

Thank you to the spectators who came along on the day, Parents, Grandparents and Carers. Thanks also to Mr Chandler, Ms Hart class teachers and Ms Batchelor, Mrs Wylie and Mrs Linnell and Mr Kinsella. A special thank you to our starter Mrs Skeggs.

Lola Kinsella Primary P.E.

SECONDARY CROSS COUNTRY

The Annual School Cross Country was held on Thursday 31st May. The day was a typical cross country day with a mix of sunshine, drizzle and a bitterly cold wind throughout. That didn't deter our students though as they just wanted to get on with the job at hand, pleading to start their races early rather than wait until the scheduled time.

The Grade 10 boys set out first followed by the Grade 9 boys as they have the furthest to run (6km). Alexi Bancal and Reef Templar were easily the first back in their respective age groups.

Next up the Grade 10 girls were off and racing with Chloe Cashion toughing it out for a good win, then Lizzie Shoobridge left the other Grade 9 girls in her wake as she blitzed them to win by more than 5 minutes.

The Grade 8 boys had the most participants, with Brandon Little claiming the honours there and Jasby Griffiths took out the Grade 7 boys race.

Melanie Shoobridge won a very competitive Grade 8 girls race, while the race of the day was the Grade 7 girls with Rianna Sharman and Edie Little neck and neck the whole way until the last 10 metres with Rianna taking the win.

With 10 points for a win, 8 points for 2nd, 6 points for 3rd, 4 points for 4th, 2 points for 5th and everybody else who completed the race got 1 point, at the end of the day the total house points were as follows:

Hauy 220

Pillar 205

Raoul 194

Congratulations to Hauy and everybody who participated.

Oscar Whiteley	93

On May 31 the Grade 3-6 students participated in the CUA Fun Run with a view to being selected in the Interschool Cross Country team, for Wednesday June 13. There were 89 students from Grades 3-6 and the Tasman team was represented by 43 eager students. The bus trip up was highlighted by focussed and excited athletes. The track was very wet and slippery and drizzle loomed all day but did not dampen spirits. Each age group had up to one hundred and twenty runners. We were competing against big schools such as Howrah, Lauderdale, Lindisfarne North, Austins Ferry and Windermere. Other schools included Richmond, South Arm, Oatlands, Bowen Road and Swansea. We were placed nineteenth overall. The following students had outstanding personal achievements: Gorgia Parker, Jack Skeggs, Tiarnee Stansbie, Cooper Meeking, Darcy Templar, Stella Seabourne, Amiee-rose Wade and William Burns. The team cheered loudly and the students did not allow the cold weather to deter any of them from performing their best.

Due to illness or injury, the following students were absent on the day: Rachael Little, Harry Sharman, Elliott Grice, Esta Honkavaara and Lockie Flack. Thanks to Craig Kinsella, Jodi Templar, Adele Skeggs, Teresa Moffatt and Mike Giblin for helping to make the day a great success.

INTER HIGH CROSS COUNTRY

The Interhigh Cross Country was held at the Rokeby Police Academy on Wednesday 13th June and it was great Cross Country weather.

I made the decision to not worry about taking a Gazebo as the forecast was looking good and I felt justified when we were making our way up as it was glorious sunshine. Upon arrival the sun was gone and we had a brisk winters day. Guess what.... 30 minutes later we get a bit of drizzle as the Grade 9 girls and boys started their race!

Good decision Mr. Chandler!

The Grade 9 girls started the day with their 4km race and Lizzie Shoobridge set the standard early by finishing in 6th place! An amazing effort! That was the schools best finish for 8 years! That was until the last race of the day when Alexi Bancal finished 3rd in the Grade 10 Boys race!

So it was an outstanding day results wise as 2 top 10 finishes in itself, but we also had 25 students take up the invitation, which is our biggest team ever!

So well done to the team, their places are in brackets beside their name.

Outstanding to all our runners!

Rianna Sharman (82), Kobe Parssey (70), Declan McPherson (90), Melanie Shoobridge (18), Jayme Nattey (23), Abigail Lane (40), Paige Parker (53), Jocelyn McRae (81), Brandon Little (39), Declan Etherington (49), Shane Parremore (68), Max Price (73), Lizzie Shoobridge (6), Ashtyn Willey (28), Amber Sikorski (50), Makayla Upton (52), Amber Jenkins (72), Reef Templar (23), Luka Stokes (52), Hasan Curkakavakli (56), Ella Wellard (19), Chloe Cashion (36), Molly Wellard (39), Alexi Bancal (3), Huon Burns (46).

TASMAN DISTRICT SCHOOL FARM

JUNIOR CATTLE HANDLING TEAM

The grade 9 cattle handlers took their heifers to Government House for the winter. The heifers Stephanie, Ramona, Ellie and Ornamental will be living in the heart of the city while the girls begin to train their younger heifers for the 2018-19 agricultural show season.

Her Excellency The Honourable Professor Kate Warner and Mr. Richard Warner welcomed the students and their cattle to Government House, they are both keen supporters of agriculture in schools.

Jackie Brown

Our Thanks to Helen and Wayne Davidson of

Cherry Tree Shorthorns for giving our school this opportunity

9/10 Sustainable Food Production

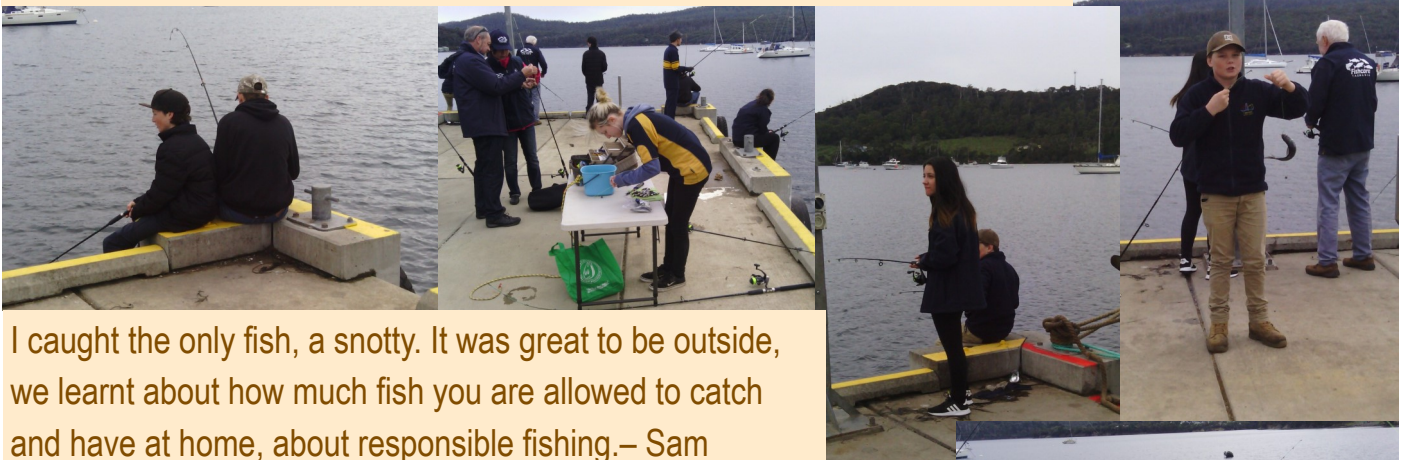

This term students have been investigating fish as a wild food source, farmed fish and responsible commercial and recreational fishing.

The students have listened to Robert Green from the DPIW Fishcare team talk about fishing responsibly, looked at

the physiology of fish, learnt how to fillet salmon.

I learnt how to fillet a salmon—Drew. Getting the bones out was hard—Josh. It was interesting to see inside the fish—Violet. I steamed the fish and it tasted amazing—Sam.

I caught the only fish, a snotty. It was great to be outside, we learnt about how much fish you are allowed to catch and have at home, about responsible fishing.— Sam

Measure your catch
Gently put the little ones
back

Only take what you
need for a feed

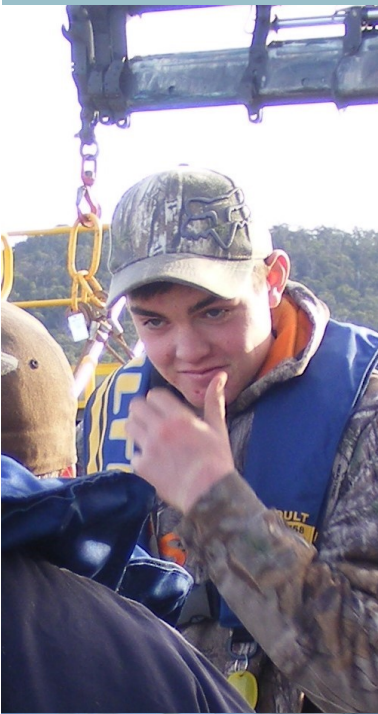

9/10 Sustainable Food Production

We visited the Tassal, Nubeena fish farm with Depha Meidece Senior Manager - Community Liaison. Depha has worked for nearly 20 years in the fish farming industry, starting as a fish farmhand at Nubeena.

We went out to the lease on a boat to the feed barge, we watched the fish getting bathed to clean their gills, we looked in the pens through the cameras and we saw how the fish were fed. Depha told us about the nets.

"It was ripper" "I had a good yarn to the crew"

"It was fun" Sam, Violet, Drew, Josh, Tobias.

...and on the way back we saw a Whale

SRC RED NOSE DAY

FRIDAY 29 JUNE 2018

WEAR RED FOR SIDS

GOLD COIN DONATION

GR 9/10 CAFÉ SWEET & SAVOURY STALL

When: Wednesday 4 July—Lunch time only

Launching into Learning - Term 2 2018

Friday 29 June	Moving On/LiL Learn & Play TDS Kindergarten 9.30—11.30 am
Friday 6 July	Moving On/LiL Learn & Play TDS Kindergarten 9.30—11.30 am NAIDOC WEEK celebrations

Newsletter and Term 3

Dear Families

From the beginning of Term 3 the newsletter will no longer be sent home with students.

The newsletter will be communicated via www.tasman.education.tas.edu.au and to family e-mail addresses.

Please contact the office if you have any queries or concerns regarding this information.
