

Issue No. 12: 26 July 2018

Dear Families

Welcome back to Term 3 and our first newsletter to be delivered electronically to families. If families require a hard copy of the Newsletter, a limited number will be available from the School Office. Mr Barrance has had to extend his leave due to unforeseen family circumstances and I will continue in the Principal role until his return on the 31st July.

Book Week Parade

This event is scheduled for Thursday 23rd August at 11am in our School Hall. Students are encouraged to dress up as a character from a favourite story. Families and community members are most welcome to join us for this event.

Books and Breakfast

Parents and families are warmly invited to participate in this weekly event, beginning in Week 3 of this term. More information is included with this Newsletter.

National Literacy and Numeracy Week

This event will be held in early September. We intend to have many activities in classrooms for parents and community members to join in with. A reminder that community members **must** have a Working With Vulnerable People Card when they are working with children in the classroom.

Staffing

Mrs Julie Robbins has been appointed to the AST position, replacing Mrs Brown while she is on leave. Mr Matthew Hunt is unable to teach with us for the first three weeks of this term and unfortunately this means that there will be various staff taking on his teaching role. Although we recognise that this is disruptive for students, we will endeavour to ensure consistency of instruction and content until Mr Hunt returns. Any queries or concerns can be directed to me via the School Office.

If parents or families have any concerns about their child's learning, please contact the child's Class Teacher to have a chat in the first instance. Senior Staff are also available to follow up any concerns if needed.

With Best Wishes

Recycled Bottle Greenhouse

The Tasman Community House is building a recycled bottle greenhouse and the children from Tasman District School are getting involved every step of the way! So far classes have helped cutting, cleaning and stacking the bottles into columns that will become the walls.

The project aims to reduce waste and to raise awareness about recycling and landfill in a fun and interactive way. **We need 1500-2000 bottles to complete the project so please bring in your rinsed 1.25 and 1.5 litre empty bottles from home and drop them into the collection wheelie bin outside the Prep/1 classroom.**

The Recycled Bottle Greenhouse project is incorporating the LIFT program so parents will have a chance to get involved in the fun with their kids too.

In Rebecca Howarth's absence please contact the Tasman Neighbourhood House or Lola Kinsella LIFT co-ordinator at Tasman District School

The Breakfast Club

Every Tuesday and Wednesday in the Blue Room, we will be providing breakfast for students that would like to join us from 8.30am. This is a great opportunity to socialise before class while getting the energy you need to have the best possible day at school.

We look forward to seeing you there!

BREAD + BUTTER

Breakfast and Books

Tasman District School invites families and carers to share books and enjoy breakfast at our LINC Library.

Who is it for? Families with children in Kindergarten to Year 2.

When? Every Tuesday commencing weekly from week 3 in Term 3.

Time? 8.30am to 9am.

Cost? There will be no cost.

Where can I get more information? Talk to your child's teacher or principal or Visit the Department of Education website: www.education.tas.gov.au

Working together with the school, you can make a difference to your child's learning.

Launching into Learning

Welcome back to Launching into Learning at Tasman District School for Term 3, 2018. Our program begins on Friday 3 August 2018, 9.30 – 11.30 am.

We acknowledge parents as their child's first and ongoing educator and aim to work alongside families offering programs that promote children's learning through play. Our programs support the whole child including social and emotional development as well as early literacy and numeracy awareness. This term we are pleased to again offer our Moving On program, together with our regular LiL Learn and Play, Out and About sessions and Music for Children.

Moving On: A Gross motor program incorporating music and movement.

LiL Learn and Play: Opportunities for learning and play both in the classroom and outside.

Out and About. Opportunities throughout the year to explore our local community.

Music for Children: Ali Hart joins us for song, rhythm and dance.

Please bring sunhats and a drink bottle, and suitable clothing for outdoor activities. Please note, that for Term 3 and 4, we ask families to bring their own morning tea. A time for morning tea will be back in the classroom after our Moving On session at 10.30 am.

We look forward to you participating in our program. If you have any questions please contact me at school on 6250 2126.
