## **Wrens (Tasman) 12 v Ladybugs 23**

Tonight the Wrens played another very intense game. Sadly in this intense game we didn't play that well and lost by quite a few points. Mel got some good steals and dribbling skills. Jocelyn did some good defence. Abigail did some good shooting and blocking. Edie did some good passing. Faith made some good rebounds and steals. Tiarnie is getting better in defence.

## **Tornadoes (Tasman) 42 v Panthers 0**

Tonight the Tornadoes played the Panthers after two weeks of holidays. The girls started the game strong with some early points. Dayna had an absolutely amazing hustle while Ilse was scoring lots of points. Alissa made some good shots while Jordan, Ashlyn and Jorja all excelled in intercepting the ball. Gorgia made some excellent fast breaks. The Tornadoes played an outstanding game, in both defence and offence but we still have a lot to work on!! Congratulations girls on an excellent win and first game back after the holidays!

## Hammerhead (Tasman) 42 v Tigersharks 56 (Tasman)

The mighty Tigersharks had the upper hand in this game having a full five on court and the Hammerheads only having four. Luka Stokes stood up as co coach for the Tigersharks this week leading them to a well earned victory but it wasn't all easy as the hammerheads put up a tremendous effort making it a close game. It was nothing but basket for Declan Etherington making his shots count. Harry and Pat teamed up on court to prevent Huon Burns from making baskets and Kobe came out with some amazing ball handling skills. Drew and Haden both showed some great team works and good defence. Cooper showed some resilience after his glasses had an accident! It was all round a great game from both halves and I'm looking forward to seeing what Tigersharks will do next.

**By Cooper Wellard (Tigershark)**

Last Friday night the Hammerheads travelled up to Dodges ferry to face off against the other Tasman team the Tigersharks. The Hammerheads took the court with a 4 man squad, due to senior players Alexi Bancal and Jack Norman sitting out for the night. The Hammerheads started the game like normal, playing hard and fast, but soon realized without subs they would have to pace themselves. Logan Flack took a fall early in the game which crippled the already flimsy 4 man squad even more, and although out numbered the Hammerheads never gave up; hanging on and even clawing their way into a lead for some of the game with an outstanding effort from Huon Burns (36) and Logan Flack (6) our only 2 scorers for the game. Unfortunately it wasn't enough with the Tigersharks taking the win at the end of the game.

## **Sharks defeated Hammerheads (Tasman)**

The Hammerheads heads travelled up to Dodges Ferry once again to take on the Sharks. With Jack Norman back into the squad we took to the court with 5 players still no bench. The opposition had a full squad and were subbing regularly keeping their players fresh. Throughout the night the Hammerheads played some good basketball with Lachlan Burns, Spencer Etherington and Logan Flack playing some hard defence with Huon Burns and Jack Norman doing their best to keep the score ticking over. Although the Hammerheads played hard and tried their best unfortunately it wasn't enough to overcome come the Sharks at full strength.
