

Issue No. 2: 1 March 2018

Dear families

I want to say a big 'Thank You' and well done to the staff and students who volunteered their time to support the Garlic Festival last Saturday. The work that has been done by the students and staff to get products ready, organise activities and be available on the day is a fantastic effort. There were many great comments about the products for sale and also the animals on display. Thank you for braving the elements and for being available even when injured.

School Association

Tasman District School Annual General Meeting will be held on Monday, 19 March 2018. All parents are members of the School Association. Through the members a committee is elected as office bearers to meet as a group and bring ideas, initiatives and concerns to the table. This is a chance for you as a parent to help out in the future direction of the school with regard to policy, programs, funding and expectations of the school. The School Association since its revitalisation a few years ago has had a big impact on the support of our students and the future direction of the school. The School Association have been instrumental in supporting the master planning of the school for redevelopment, funding requests, policy updates, new logo, new uniform, incorporating the Trade Training Centre into the school, supporting the extension of Year 11 & 12 and shaping the direction of the school to support all students from Kinder to year 12. If you would like to be involved in this group please find the nomination form attached to this newsletter.

Newsletter and Website

From next week the school will have an updated website and this will have all the necessary information you need for your child/ren at Tasman District School. We are busily updating information and preparing it to go live next week so that it is a current place to source everything you need. We will be updating information as time goes on so if there is any feedback it will be welcomed.

The newsletters this year are coming out fortnightly with an updated calendar of events catering for the next month in each issue. The newsletter will be hosted through this site and over time we will cease to give hard copies to the youngest child each fortnight. There will be a lead-in time for this process and we will be in communication with parents regarding this change.

Ted Barrance, Principal

Tasman District School Council Vacancy

- Nominations are being called to fill vacancies on the Tasman District School Association for Parent/Community Members.
- All nominations must be in writing and returned to the Returning Officers by 9.00am on Thursday, 15 March 2018.**

Membership of the School Association provides an opportunity to be involved in the school in a positive way, participating in discussion and decision making on a wide range of issues (policies, budget approval etc.), and representing the concerns of others.

Meetings are held at least 4 times per year and are usually of less than 2 hours duration.

Functions of the Association

The Association must work within the goals, priorities and policies of the state education system and in conformity with the Education Act for the benefit of the School.

The functions, objectives and purposes of the Association are:

- (a) to participate in the formulation and development of -
 - (i) a set of beliefs, values and priorities for the School; and
 - (ii) the School policies and code of conduct;
- (b) to provide advice and recommendations to the Principal in relation to the general operations and management of the School;
- (c) to participate on the selection panel in respect of any advertised permanent vacancy for the position of Principal;
- (d) to foster co-operation among teachers, students, members, parents and the community;
- (e) to provide advice and recommendations to the DoE Secretary on any matter relating to policy;
- (f) to approve the school budget;
- (g) to undertake any other function the Minister may determine in accordance with Section 27 of the *Education Act*.

For more information please contact the Returning Officer, Barbara Stansbie or Ted Barrance, on 6250 2126

STUDENT MEDICATION

The office is currently updating student information regarding medical details.

It is important to keep the school informed of any changes your child/rens details.

We have included some Education Department Policy information below.

Under no circumstance will medication be administered to students unless authority is received from a student's medical practitioner, parent or guardian. This includes asthma medication.

Prescribed long term medication can only be administered to students when the appropriate form has been completed and signed by the child's medical practitioner.

Prescribed short term medication i.e. antibiotics can only be administered to students when the appropriate form has been completed and signed by the child's parent or guardian.

In all instances, medication must be handed in to the office in the original container, with the chemist's instruction label attached.

Non-prescribed oral medication, such as analgesics (pain killers ie Panadol) and over-the-counter medication cannot be administered by school staff. Fever, headache, earache, toothache etc are considered symptoms of conditions that require further investigation by an appropriate health practitioner.

No medication is to be self-administered, including cough mixture, flu tablets and medicated creams/ointments.

VISITING THE SCHOOL

When visiting the school for whatever reason, please sign in at the front office. It is important for the school to have an accurate record of all visitors to the school, and in the event of an emergency it is an Occupational Health & Safety requirement.

A "Visitor" badge must be worn at all times when on school property.

Tasman District School Junior Cattle Handling Team

Bushy Park Show

By Jocelyn, Abigail, Ben, Paige, Jayme, Ilse

Last weekend we took our shorthorn cattle to the Bushy Park Show. We set off on Friday afternoon with Ms Evans, Ms Brown and Bec. We stopped in New Norfolk for food and had a 'door' issue with the bus which delayed us but Bec managed to get us on our way. We arrived at Bushy Park, it was nearly dark, to find our four heifers, two cows and a calf just arriving in their truck. We unloaded them and got them fed and settled in the shed in a bed of straw.

We slept in swags in an open shed and woke at 5.00am to feed and wash our cows. It was still dark when we gave them their breakfast.

The competition started at 9.00am, some of us were nervous as it was our first time parading a Heifer in public and competing at a show. Ruby led an enormous cow that weighed nearly a tonne! Candina looked after a naughty bull calf she named 'Petie'. Jocelyn said she had never been out of bed so early in the morning. Paige led a huge Charolais Heifer in the novice competition. Ben had his own Santa Gertrudis cattle at the show.

It was great fun and a great experience.

Thanks to Bec for driving the bus, Ms Evans for looking after us and putting up with our singing, Ms Brown for organising us, Helen White for letting us use her cattle and Mr Davidson for transporting the cattle for us.

Results

Shorthorn Breed Class

Junior Heifer

1st Cherry Tree Ornamental	Ashtyn Willey
2nd Cherry Tree Ramona	Lizzie Shooobridge
3rd Cherry Tree Elnia	Ruby Hull
4th Cherry Tree Stephanie	Makayla Upton

Koonya Garlic Festival

Students took some of the farm animals to Koonya at the weekend for display at the Koonya Garlic Festival. They spoke to the community about their farm projects, raffled a picnic table and received a cheque from Steve McQueeney from Nubeena Bendigo Bank for \$375.00 towards shirts for the Junior Cattle Handling Team. A huge thanks to Mel for transporting our menagerie, to the Grade 10 boys Jack, Blake, Tate and Brakynn for setting up the site and to the Grade 8 & 9 girls for working on the display. Lizzie, Ashtyn, Makayla, Candina (who did an amazing job selling raffle tickets and farm bags) Jocelyn, Jayme, Abigail, Ilse.
