

**Issue No. 8: 31 May 2018**

Dear Families

This week we farewelled our Lendlease partners, welcomed new friends and continued with our learning journey.

### **Lendlease/Springboard Program**

After four eventful years, yesterday we farewelled the last Lendlease delegates to visit the school and work alongside our students. This program has had a huge positive impact on past and present students as it equipped them with skills to succeed in work and in life. Tasman District School's mission statement is 'To teach students to be positive, inspired global citizens by creating a safe, engaging and inclusive learning environment'. The 1000 Lendlease delegates who have visited the school over the past four years have worked closely with our students to achieve this aim. Our school has emerged much richer for this experience and we look forward to another exciting partnership with ABCN and TASSAL over the next three years. More information about this to follow in later newsletters.

### **Bus Policy**

Following a number of incidents involving students travelling to and from school on buses, a new bus policy will be trialled from next Monday, 4 June until the end of term. A copy of the policy is included with this Newsletter. If there are any queries about this new policy, please contact me via the School Office.

### **Staffing**

We are farewelling Ms Ash Evans (Grade 7/8 STEM) this week, who is taking maternity leave. We wish her all the best for the birth of her first baby. Mr Matthew Hunt will be replacing Ms Evans while she is on leave. We also farewell Ms Barbara Stansbie until October, as she takes up the position of School Business Manager at Dunalley Primary School followed by some well-earned leave. Mrs Stansbie's position has been advertised and we will be interviewing applicants over the coming week or two. We wish Barb all the best in her new role.

Also, another reminder to parents to phone the School Office if your child is unwell or absent for another reason. Every day counts in your child's learning journey. We are here to support children and their families. If your child is nervous about coming to school or experiencing other difficulties, please ring us and let us know. Unexplained absences will result in a letter being sent home to parents requesting an explanation.

With best wishes, Michelle Waldock A/Principal

# 2018 School Bus Policy and Procedure

## Rationale:

Over 80% of Tasman District School (herein after referred to as TDS) students regularly travel on buses to and from school. All students, as well as the bus drivers, have a right to feel safe when travelling on buses and a responsibility to ensure that behaviour is respectful and appropriate.

## Scope:

This policy and procedure applies to buses carrying students to and from school each day. It does not apply to chartered buses for excursions or the school bus, which is used to transport students to and from one-off events.

## Application:

This policy applies to all students who travel to and from school by bus.

## Procedure:

1. Parents notify School Office of any bus changes. This needs to be done by **2.00pm**.  
If parents need to collect their child urgently after this time, they must notify the School Office and/or contact the driver of their child's bus directly to inform them of the change.
2. Each bus will have a Bus Monitor nominated by TDS Senior Staff. The Bus Monitor collects the list of students who travel on their bus from the School Office and checks that students are present as they board the bus in the afternoons. The teacher on duty at this time will oversee this process.
3. When buses arrive to collect students at the end of each day, the doors of the bus **remain closed**. Students boarding each bus will line up on the footpath adjacent to the bus and wait to be checked off by the Bus Monitor. Once all students are marked off, the doors of the bus will open and students may board the bus. In cases of inclement weather, students will board the bus and then be checked off by the Bus Monitor.
4. The teacher who is on duty during this time will inform drivers of any bus changes that affect them. The teacher is also responsible for ensuring that bus lines are orderly and assisting the Bus Monitors where necessary.
5. Buses must leave the school grounds at **3.10pm**. This is Tasman Peninsula Buses' (herein after referred to as TPB) contractual obligation. Any student who misses the bus must report to the School Office, where parents will be notified to come and collect their child.
6. In case of a **critical incident**, all bus drivers have the mobile number of the local police officer. Drivers will call the police first and then notify Steve Mundy, owner of TPB. Either the police or Steve will notify TDS if they think it necessary to do so. It is at the bus company's discretion if the students responsible are not permitted to travel on the bus as a result of such an incident.
7. If a minor incident occurs while students are travelling on the bus, parents need to make contact with **TPB** (phone number is available on the company website). TDS will be notified by the bus company if necessary.

# Primary Art

with Ms van der Beek

Through out Term One the focus for primary art classes has been on shape, pattern and design. Students produced a series of works on paper using grey leads, chalk pastels and watercolour pencils. The unit culminated in these richly coloured designs on calico bags. The artwork below is from Grade 3/4. Corey and Alyssa are pictured holding their bags.

## Grade 6 Visit Government House

Last Wednesday the Grade 6 students visited Government House as part of their HASS studies. They met the Governor Mrs Kate Warner and her husband Mr Richard Warner and went on a guided tour of the house and gardens.

I learnt how fancy Government House is and that there are secret stairs all around the place. But my favourite part was the ice cream. Shae

I liked seeing the fancy stuff and learning about Government House. Todd

My favourite part about our Government House visit was meeting the Governor. She told us a bit about the history of the house. Emma

We had morning tea with the Governor it included Brownie, a slice and orange juice. Olivia

I enjoyed meeting the Governor. Mikael

I liked meeting the Governor. I also liked walking through the garden. Hannah

I loved the building and the gardens were amazing! Mrs Warner was really nice too. Kaiya

At Government House I liked the food, the service and the gardens. I also liked the ice cream at Mures. Faith

Government House was fun, especially when we shook hands with the Governor. Lanie

I liked walking around and seeing the garden. Also inside the house was awesome. Every room had been painted differently with symmetrical patterns. Montanna

I liked the ballroom with the chandeliers and stained glass windows. Audrey

When we visited Government House I liked the morning tea. Then we went to get ice cream. Tiarnee

I loved the fancy stuff and the gardens, those were my favourite things. Spencer

**Thursday 24 May**

## **Wrens (Tasman) 24 v Panthers 6**

Last Thursday the Wrens played an excellent game. The game started of a bit shaky, but with some changes we took the lead and kept going. Tiarne played an magnificent game scoring her first shot of the season. Melanie was like a little ball of energy zooming around the court, she also scored the most points of the game. Jocelyn played a spectacular defence tonight drawing fouls from the other team. Faith played some splendid defence as well stealing the ball a couple of times. Edie showed off some of her amazing skills tonight. Abigail played impressive defence tonight showing huge improvement from the weeks before. I would love to congratulate my team on their improvement in their skills and their superb win tonight.

## **Tornadoes (Tasman) v Cats**

Tonight the Tornadoes had only four players on the court. The girls played an excellent game under the circumstances of the night. They all tried there absolute hardest! Ashlyn played some nice defence and Alissa scored our only point for the night! Dayna got some excellent rebounds and Jordan was very brave and kept played despite and injury she sustained in the first half of the game. Even though the scores weren't on our side the Tornadoes played a fantastic game and I'm super proud of them all!!

# Tasman Basketball Report

Friday 25 May

On Friday the 25th of May the Tasman Tigersharks travelled up to Dodges Ferry to play basketball. Although we had to sit and wait through 3 other games it soon came to our turn on the court and we were keen to get on. We welcomed a new player, Harry, on to our team who played a fantastic game as we all did ..... so well done Harry . We saw some great shots from Declan and great ball handling from Pat. There was some great defence from all of our players, so all round a great game although we lost by 4 points we worked together to get the points that were on the board and that's what matters. Shout out to Pat who once again played a great game but suffered an ankle injury during second half. Overall great work Tigersharks keep this up and we will be unstoppable.

# Tasman Basketball Clinic

## HOBERT CHARGERS BASKETBALL CLINIC VISIT

**Saturday, May 26 2018**

The Hobart Chargers once again came down to Nubeena to run a basketball clinic for our youngsters at the Civic Centre. This great event was sponsored by the Telstra Business Centre so it could be provided free of charge to our kids.

The Chargers come down every year to do this, and the kids look forward to it as it has become something of a tradition – and they learn a lot about improving their skills, working in teams and (most importantly) having fun doing it! And they get to do this under the expert guidance of Tasmania's elite coach assisted by two international basketball stars! The clinic ran from 10:00am to 3:00pm and was filled with intensive drills and activities that engaged them all (apart from a quick lunch break).

We introduced an award for the participant who demonstrated tenacity and determination during the clinic. Coach's pick was Ilse Burns who was presented with a basketball provided by our local Bendigo Bank. Thanks Steve.

A big thank you to coach Anthony Stewart, and import players Tre Nichols and Kathleen Scheer who put in the time with our kids. Thanks also to Telstra Business Centre for sponsorship and Nubeena Bakery for subsidising our pizza lunch! Oh - and of course a big thanks to Bec Hull who makes it happen and Rosie Hull who takes the best photos!

## Holiday Circus Fun

Age specific circus fun and games in a safe and friendly environment

### What is a Holiday Circus Fun workshop?

In the workshops participants will get to try out a range of circus based activities including Juggling, Diabolo, Poi, Hula Hooping, Rolla Bolla, Acrobatics, Human Pyramids and Games.

These activities are all proven to develop and enhance co-ordination, balance, communication, confidence, and trust, in a safe, non-competitive, fun, friendly and supportive environment.

**The first 20 people to book will be accepted into each workshop so please send in your registration form as soon as possible.**

### The serious stuff:

- Workshop participants will need to wear flexible practical clothing (e.g. tracksuit pants, leggings/tights), tie hair back and remove any jewellery
- Workshop participants must bring a full water bottle
- 0-5 age group must attend with parent or carer
- Come with a sense of fun and adventure ☺

Holiday Circus Fun workshops have been organised by Anglicare Tasmania thanks to funding by the Commonwealth Bank Foundation Centenary Grants Program. The workshops are organised in partnership with the Sorell Council and the State Education Department.
