**Wrens (Tasman) 30 v Tornadoes (Tasman) 21**

Tonight the Tornadoes played the Wrens for the last time before the finals begin. The Tornadoes were one player down due to Ashlyn being sick. The girls started the game well keeping the scores incredibly close throughout the whole game. Gorgia played some excellent defence while Alissa set a perfect screen! Jorja rebounded well and Jordan was always open. Ilse scored many points and Dayna worked hard to get the ball. The girls played a fantastic game but within the last five minutes the Wrens pulled ahead, taking the win. Well done girls on an excellent game.

## Tornadoes (Tasman) v Panthers

Tonight the Tornadoes played a fantastic game against the Panthers at Dodges Ferry. We were one player down due to Gorgia being unwell. The girls started the game a bit shaky with some less than perfect passing and minimal amounts of talk between team members. Luckily, the Tornadoes picked up their game within a few minutes. Shots started sinking and we began to pull ahead. Ashlyn had many steals, Jordan had dribbled!! Dayna played excellent defence while Ilse scored many points. Alissa played a fabulous game and is always looking for an opportunity to set a screen. Congratulations girls on a great win!!

## **Hammerheads (Tasman) v Sharks**

This week the Hammerheads travelled up to Dodges ferry to play against the Sharks. The Sharks only had 3 registered players for the night and unfortunately had to forfeit the game. A scratch match was played with the Sharks borrowing a player from another team and having another young player play for them as well. The Hammerheads played well in the match but ended up with less points when the time was up, it came down to senior players Jack and Huon having an off night with Jack getting fouled off and Huon not scoring as much as usual. Younger players Lachlan, Spencer and Logan stepped up though and played well.

## **Tigersharks (Tasman) v Flatheads**

On Friday the 24th of August the Tigersharks travelled up to Dodges Ferry to play basketball against the Flatheads and can I just say what a game it was. It started off with the opposition winning the tap but that didn't stop the Tigersharks from making the first basket. The great play carried on through out the game with the Tigersharks keeping their well deserved lead till the end. Congratulations to Drew Wellard for his BEST game yet; showing great ball carrying and defence. Declan and Harry carried through with some great shots and Kobe showing some more confidence with the ball. Hayden making some great passes and let's not forget Pats great ally hoops putting more points on the board. It was Luka Stokes first game back from an injury and he played a fantastic game making a lot of his shots. Great job Tigersharks you couldn't be more ready for the finals.

## **Hammerheads (Tasman) 50 v Flatheads 38**

The Hammerheads travelled up to Dodges Ferry to take on the Flatheads in the last rostered game of the season. The Hammerheads played a sensational game taking the lead right from the very start. They played with a ferocious intensity the whole game, although it did start to wear near the end of the game. Huon Burns and Jack Norman, the senior players, led the team well. Logan Flack, Spencer Etherington and Lachlan Burns chipped in though, with Spence scoring his first points for the year, Lachlan scoring a nice basket and Logan playing rock solid defence. As the time expired the Hammerheads had won by 12 points with the score board reading 50-38.

**Tigersharks (Tasman) defeated Sharks**

Wow! What a close game last Friday with the Tigersharks just snatching up the lead. With Richard (coach) away with injury Bec Hull stood up as coach, so a massive thanks to Bec. Luka Stokes was away this week due to other activities. Well done Declan Etherington and Kobe Parssey on their best game yet. Drew and Hayden played through with some great defence, and Pat and Harry—amazing ball handling. It was a fantastic game from both Tigersharks and Sharks. A quick congratulations to Spencer (member of Hammerheads) on a fantastic first shot of the year!
