7 September 2018

From the Principal

With Spring arriving and hopefully some good weather with it, it is a chance for our students to get out and about more at recess and lunchtime. Unfortunately the wet weather restricts students playing outside during these times and getting important brain breaks from the classroom. With the warmer weather we will have more opportunities to explore the outdoors and it has been pleasing to see on our Instagram page that staff and students have been utilising our school farm more and more.

Last week we were notified that we have been allocated an Agriculture teacher and financial resource on top of what we are already doing to assist in delivering the Food and Fibre elements of the Australian Curriculum. This will give us much needed resources to continue the great work already happening on the farm. This has come from the Revitalising School Farms Initiative which was delivered through the state government budget.

You will receive your child's NAPLAN results this week or early next week. NAPLAN is a way that we can see the growth of individual students over time. If you have concerns or questions around your child's results then please contact the school and arrange a time to meet with classroom teachers.

I was privileged to show around the school the Deputy Secretary of Learning, Trudy Pearce. Trudy visited the classes and had a look around our new facilities and was very interested in our Visible Learning and how our farm has been revitalised over time. She was impressed with our new Learning Spaces and the settled nature of our classes and the learning that is happening at the school.

Next week we will be hosting TASSAL and ABCN for our year 10 students participating in the Aspirations program. This program focuses on assisting students with creating an employment profile, how to create goals and what their aspirations are as they are transitioning to year 11/12.

Lastly I want to say thank you to The Rotary Club of Tasman who came in to our school to donate books to our year 2/3 class. The books were presented at the Star of the Week Assembly last Friday with the Primary school and Rotary having again offered to work with our students in planting some trees around the school as part of our landscape plan.

Kinder Enrolments

If your child will be entering **Kinder** in 2019 (born 2014) please contact the school office to complete an intention to enrol form for 2019. Please pass this message on to family and friends that live in our school area.

Breakfast Club

Every **Tuesday** and **Wednesday** morning from 8.30am in the Blue room, TDS will be providing breakfast for students that would like to come along. This is a great opportunity for students to socialise before class while getting the energy they need to have the best possible day at school.

School Banking

School Banking day is **Wednesday**. Your child should place their bank book in the class banking bag ready to be taken to the office each Wednesday morning.

Launch into Learning (LiL)

Friday 14 September 2018

Moving On

School Hall 9.30am - 10.30am

LiL Learn & Play

Kindergarten 10.30am - 11.30am

Friday 21 September 2018

Bush LiL

Dam Road, Saltwater River

9.30am - 11.30am

For further information and a term program, please contact Elizabeth Legge (Launching into Learning Coordinator) on 6250 2126

Bus Changes

Parents and Carers are reminded to notify the school office of any **bus changes before 2.00pm**. This is essential for the school to fulfil our duty of care at the end of each school day.

Agriculture Class

In late August two calves were delivered by Caine Evans and provided by Mr Ben Geard for our **Cows Create Careers** program.

As part of the **Cows Create Careers Program** that the 7, 8 and 9 Ag classes are taking part in we have received two dairy calves. We are required to feed and care for them on a daily basis. We have named the calves Lilo and Stitch. We are looking forward to spending more time with them.

Ashtyn Willey

Assembly Dates

Primary Assembly is hosted by primary students and is held every Friday morning at 9.00am in the Prep - I classroom.

Whole School Assembly will be held September 18 in the School Hall at 2pm.

Achievement Recognition Assemble will be held Wednesday 19 December in the Civic Centre.

Attendance and Sickness

A reminder to parents and carers to please call the school office by **9.00am** to advise the school if their child is unable to attend school due to illness or any other reason.

- By phone **6250 2126** leave a message anytime on the answering machine.
- Email tasman.district.school@education.tas.gov.au

If you family is going away on holiday please email tasman.district.school@education.tas.gov.au with the details of you child/rens absence dates.

Tasman Community House Recycled Bottle Greenhouse

The Tasman Community House is building a recycled bottle greenhouse and the children from Tasman District School are getting involved every step of the way! So far Kinders up to Grade 6 have helped cutting, cleaning and stacking the bottles into columns that will become the walls. The project aims to reduce waste and to raise awareness about recycling and landfill in a fun and interactive way. We need 1500-2000 bottles to complete the project so please bring in your rinsed 1.25 and 1.5 litre empty bottles from home and drop them into the collection wheelie bins outside the Tasman Community House and on the veranda outside the 3/4 classroom. The Recycled Bottle Greenhouse project is incorporating the LIFT program so parents will have a chance to get involved in the fun with their kids too.
