From the Principal

Welcome back to Term 4, hasn't the year flown by already. It has been wonderful to see students arriving in their uniforms and wearing their hats at recess and lunchtime this week, and with some of the weather we have seen Summer is almost here! Please make sure students have water bottles and sunscreen as they come to school each day. As the days get hotter and the weather warms up we will definitely see kids hot and thirsty as they run around at recess and lunch. Please remember to have a look at the upcoming events in the newsletter as we have the School Athletics Carnival, student free days and other activities coming up this term.

Term 4 is the term where we consolidate our teaching and learning and ensure that students have had the best chance to reach their full potential. Teachers are busily assessing and grading students work and organising activities where students can showcase their learning. A reminder that we have reports coming out at the end of term and also we celebrate the great work and achievements of our students at the Achievement Recognition Assembly later this term.

During the holidays some of our students and staff travelled up to the Burnie Show. Here the Cattle

Handling team performed extremely well and staff had a lot of positive feedback about how well our students performed and also their positive and polite attitudes. Congratulations to all the students who participated you continue to out do yourselves with the care, commitment and enthusiastic way you work as a team. Thank you especially to the staff and parents who volunteered their time to assist the team in getting to and from the Burnie Show and everything else in between. The Cattle Handling Team will be representing the school at the Hobart Show next week. If you are there feel free to stop by and give your words of encouragement.

Kind regards Ted Barrance

Burnie Show

Junior Cattle Handlers

During the recent school holidays 12 students in the Junior Cattle Handling group travelled to Burnie to display their skills of exhibiting cattle in a formal arena. In addition, two students attended to take part in the stud sheep judging competition.

Students were up early each day to be at the showgrounds ready to clean out the cattle sheds, feed then prepare their heifers for showing. There was excitement, and a few nerves, when the time came for the students to enter the ring and show their animals. They handled the heifers well, showing maturity and responsibility in the task. Many positive comments were heard from members of the public when Tasman District School was announced, and amazement that students would travel so far to take part in the show.

On Junior Cattle Handling

On Friday students took part in breed judging competitions against other schools and independent breeders.

In the heifer class, Cherry Tree Koonya's Lynelle led by **Candina** placed 2nd and Cherry Tree Monkira's Enia led by **Lizzie** came 3rd.

The Saturday competition saw the students judged on their cattle handling skills. They participated in age groups and performed very well.

Congratulations to **Melanie** who received a 4th place in her age [group](#), with an honourable mention for her fantastic ring etiquette.

Burnie Show

Sheep Showing

A number of sheep from Tasman Hampshire Down Stud were taken to Burnie for showing. This was the first time Tasman District School Farm has taken sheep to this show with both sheep, and students handling them, performing very well.

First place – Ram over 1 ½ years

First Place – Ewe lamb

Second Place – Ewe under 1 ½ years with wool

Second Place – Ewe over 1 ½ years with lamb

Third Place – Ewe under 1 ½ years shorn

Extraordinary Donation from **Rex James Stockfeeds** and **WSD Agribusiness** in recognition of Tasman District School travelling such a long distance to participate at the Burnie show for their first showing of sheep. Two students, **Alexi** and **Edie**, undertook the role of sheep handlers with valuable advice from Stuart.

Organisers of the sheep judging section were impressed with our two students who were novices at handling and showing sheep. The judge, Paul Catterall spent time discussing the competition and providing feedback to **Alexi**.

Further recognition for Tasman District School Farm came as a special presentation at the conclusion of the competition and received by **Alexi**. Organisers arranged for a selection of sheep drenching equipment to be donated to the school to assist with ongoing programs and care of the stud flock.

The students would like to thank:

Julie Robbins for organising the excursion and travel

Mr **Stuart Cordwell** for driving the bus, preparing sheep and providing advice regarding handling.

Mrs **Ashley Evans** and her husband **Caine Evans** for transporting the sheep and support with grooming and showing the cattle

Helen White and **Wayne Davidson** for providing their time, the heifers and transporting them to Burnie

Karen and **Phillip Harman** and their family for accommodating the students and staff for 2 nights and providing amazing dinners plus desserts. Their hospitality was very much appreciated by everyone.

Nubeena & Tasman Bendigo Bank Scholarship For TAFE Study \$2000

As ex Principal of the Tasman District School, Mr Steve Bowes, Chair of the Nubeena and Tasman Community Bank Branch of the Bendigo Bank, is delighted to announce that the Bank plans to offer a **scholarship** to a local young person again in 2019, after the success of their 2018 scholarship. The scholarship is designed to support their technical tertiary (TAFE) studies with **\$2000** of financial support as well as mentoring support. This scholarship is open to anyone who plans to attend TAFE in 2019, or who plans to attend a course with a registered training organisation.

The Nubeena and Tasman Community Bank is passionate about helping local students and young people to study away from the Peninsula and achieve their potential.

The Bank appreciates the challenges our young people face to advance their studies and wants to invest in their futures, and through them, in the whole community. It is hoped the Scholarship will attract students and young people who may otherwise struggle to fund their studies and this will provide financial support for study materials, tools, transportation or similar expenses. The Bank particularly encourages non-school leavers who may be looking to upskill or to return to study to apply for this scholarship.

The Bank's Scholarship Committee will consider all applications and then interview applicants and hope to announce the winner at their AGM in late November.

If you know any student or young person who could be a good or worthy applicant, direct them to the Bank's website, Facebook or to the Branch to complete an application form, with letters of support, by **October 22nd**. Enquiries can be directed to Casey Garrett by telephone on 0407 660 654.
