## From the Principal

Dear Families,

Last week I had the privilege of attending the SPSSSA Swimming Carnival to watch our students participate and enjoy the day. For some of our students this was the first time they had been to the next level of a swimming carnival and compete against other schools. It was great to see how excited and nervous our students were in anticipation of their races. All students competed with enthusiasm against the students from other schools and represented our school very well. Thank you to the staff and parents who came along to watch. We again have to say well done to our amazing cattle handling team and sheep showing teams as they competed at the Huonville Show over the weekend. Please take the time to check out the photos on our website or the Facebook page.

This week we have a number of excursions and camps taking place. The Grade 9&10 leadership group will undertake their walk and camp at Fortescue Bay. Also our Primary students from Kinder-5 will attend the pantomime performance of Wind in The Willows at the Botanical Gardens. It is the time of year when all schools are wrapping up the year with different activities so please be aware of activities that are coming up and what your child is participating in on those days.

### Signing In

To ensure the safety of all students on site and to ensure we continue our duty of care across the school we are reminding parents and carers to enter the school via the front office and to sign in so we know who is at our school. If there is an emergency then we need to be able to account for everybody who is on the school grounds. This is especially important with upcoming class activities that you may wish to be involved in.

Kind Regards  
Ted Barrance

## Canberra Trip - Year 9

Students from TDS will soon be undertaking an education tour of the national capital.

Year 9 students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$150 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

The school is also busily raising funds through various fundraising activities, plus the kind donations from the community.

Each student requires \$1300 to be able to have this wonderful experience. \$500 is paid for by our families, \$150 contributed by PACER and the school contributes the remaining \$650.00.

We will provide more information about this when all details are finalised and we return from our trip.

If you have any concerns or questions around the trip, please do not hesitate to contact the school office 6250 2126.

Luke Hickman - Excursion Organiser

## Judd Park Garden

The Dunalley Tasman Neighbourhood House sends a big thank you to the Year 3/4's and the 5/6's for helping to plant the native plants in the new Judd Park Native Interactive Garden. This project has been a collaboration between the **Tasman Community House, Tasman Council** and **Tasman District School**. A new large sign board is yet to be mounted and the official launch date is TBA. Please do go down and have a look at what the students have created, the new plaques that are mounted and again thanks to all the students and to the **Tasman Council**.

## Recycled Bottle Greenhouse

The Tasman Community House is building a recycled bottle greenhouse and the children from Tasman District School are getting involved every step of the way! So far classes have helped cutting, cleaning and stacking the bottles into columns that will become the walls.

Please keep bringing in your plastic bottles for the recycled greenhouse bottle project. We need 1.25L and 1.5L plastic soft drink bottles we have nearly half the bottles we need already! Well done everyone who has been helping with the project, we are ready to start constructing the frame soon! Bins for dropping off the plastic bottles are located at the Tasman Community House and at the Tasman District School.

**No milk bottles please.**

The project aims to reduce waste and to raise awareness about recycling and landfill in a fun and interactive way.

## Canteen News

The **Port Arthur General Store & Takeaway** has kindly taken on the task of supplying TDS staff and students with lunches every **Friday** for the rest of Term 4. Parents and Carers are asked to please use only the school lunch bags provided in each classroom and also available at the school office. The new canteen list has been sent home with each student along with a copy in today's newsletter.

# Year 8 Fortescue Bay

On the 7th to the 9th of November the majority of the grade 8 class went on camp to Fortescue Bay. When we arrived we set up camp then did a nature treasure hunt using clues and had relay races with potatoes and Maltesers. After that we ran straight down to the beach to go swimming and play cricket. We only came back up from the beach because we were told that dinner was ready. After dinner we went on a short walk to see the Fairy penguins! Unfortunately, as soon as we got there it started hailing and pouring down with rain. We decided to stay out watching them in hopes that we would still see them and the weather would improve. Even though the weather did improve, a bit sadly we still didn't see anything exciting and went back to camp cold, wet and miserable, after getting changed we sat around the fire and told horror stories. While Emily was telling hers a possum screeched in perfect timing with her story and everyone jumped up and screamed. After that we all went to bed scared. Little did we know it would be an eventful night. Attack of the possums!!

By Ilse and Mel

## Day 2

### **"Get out of bed before 7am and you will die"**

Despite this warning, we still had students up and about well and truly before 7am. After breakfast and a quick tidy up of the camp site (we didn't want any more possums hunting around) we headed off on a bush walk to Canoe Bay to see the ship wreck. When we got there it was pretty cold but there were 9 brave souls who took the plunge into the cold water and snorkelled around the ship wreck. We got back to the campsite by lunchtime and then headed to the beach for more activities. Students showed off their nippers' skills with flag races on the beach, they got covered in raw egg trying to throw eggs to each other and as a team made a sand sculpture that was inspired by their team name. Late afternoon was spent swimming and playing beach cricket. That night we roasted marshmallows around the fire. Another possum attack that night saw Paige and Trinity homeless.

## Day 3

Started with a tie between 'Team Tent' and 'Mermaids'. We needed a tie-breaker to determine the winners. After a bush breakfast of damper cooked on the fire with jam and butter the three teams headed out in to the bush to battle it out and capture the flag. Mr Chandler joined 'Shrimp on the Barbie' because they were a man down but this didn't help them. Only 15 minutes in to the game 4 of their 5-man team were in prison. Students braved thick bush and beach cliffs, coming out covered in sweat and blood. There could only be one winner and at the end of the day 'Team Tent' were triumphant. A quick lunch later we were all back on the bus to make our long and tedious journey back to civilisation.
