22 February 2019

From the Principal

Dear Parents and Carers,

Thank you to everyone for a great start to the year. We have seen students come back to school engaged in their learning and looking for ways to have positive relationships with others across the school.

This year we have three main focusses for our school in the way we will work and support students through their learning to be the best they can be. The focusses are :

- Health and Wellbeing of our school community
- Consistent teaching and learning across the school
- Blended learning approaches through our online platform CANVAS

These focusses will form the basis for all we do and the way we support every member of our school community. With these in mind we will be working on our professional development and our teaching practice across the school. We look forward to sharing our successes with the whole community and look to showcase our learning in many different ways throughout the year.

School Opening On March 27 we will have our official opening of the school, celebrating the significant refurbishments that have occurred over the past 2 years. We will have more information out to the community to invite everyone along to share in the school's most significant refurbishment to date.

Students arriving at school in the morning Parents are reminded that the school is open from 8.30am in the

morning. Classrooms will not be open and there will be no supervision before the first buses begin to arrive at school. If you are dropping your child off at school please be mindful of the time and follow these directions as teachers will not be opening rooms before 8.30am.

Food and Fibre This year we have a dedicated Food and Fibre teacher at our school, Mrs Evans. She is taking Food and Fibre across the school from K-10. Food and Fibre refers to all aspects of horticulture, agriculture aquaculture etc. Students will be looking at lifecycles of animals, how clothes are made, how food is produced and so on. This is really exciting and you can stay informed by checking out the Food and Fibre at Tasman District School facebook page.

Kind Regards, Ted Barrance
Principal

Launch into Learning - LIL

Launch into Learning, **Term 1** is held every Friday on the following dates: 1 March, 8 March, 15 March, 22 March, 29 March, and 5 April.

Moving On

School Hall 9.00am - 10.00am

LiL Learn & Play

Kindergarten 10.15am - 11.30am

For further information and a term program, please contact Elizabeth Legge (Launching into Learning Coordinator) on 6250 2126.

SEBA Basketball 2019

Tasman Students interested in playing in the 2019 SEBA Basketball Season:

Forms are now available at the office. Please return ASAP.

Community Thank You

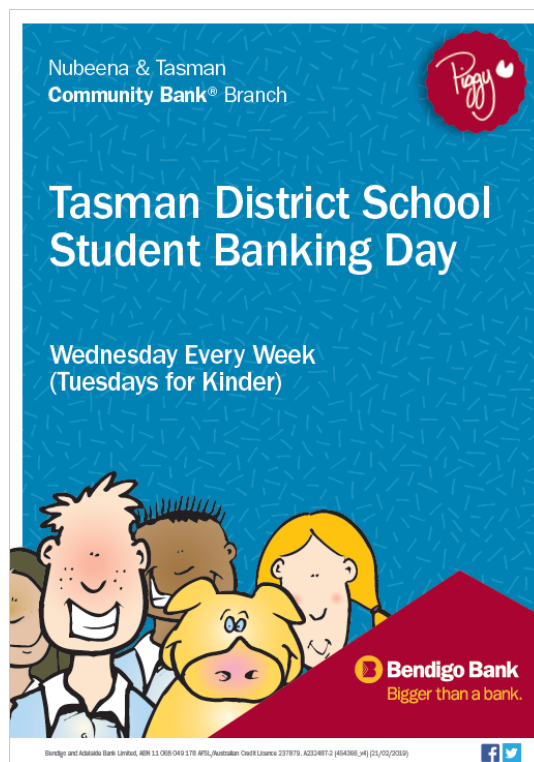

Thank you to those community members who have made donations of plants for the school gardens, they are appreciated and have made a big impact on the school grounds. Groundsman Joe is still on the hunt for more plants, shrubs & trees. Any donations can be dropped off at the school office, alternatively please contact the school on 6250 2126 to arrange collection.

Student Banking

To the Staff, Students, Parents & Carers of Tasman District School – thank you for your fantastic and positive response to our new Student Banking program.

We are thrilled with the level of participation we have had. If you have any questions, or would like to know more about how your child can participate, please give us a call on (03) 6127 5300 or pop in to the Branch and say Hi! From Steve and Staff – Nubeena & Tasman Community Bank® Branch”

Visitors on School Grounds

Parents/Carers and the public are reminded when visiting the school for any reason to please sign in at the School Office. It is important for the school to have an accurate record of all visitors, and in the event of an emergency it is an Occupational Health & Safety requirement to account for everyone on the premises.

When visiting school a “Visitor” badge must be worn at all times.
