Principal News

Dear Parents and Carers

Progress reports come out this week and it is great to see such positive attitudes to learning in the classrooms. The comments reflect the enthusiasm, care and importance that students are placing on their learning and their interactions within the classrooms. We are working on ensuring this same enthusiasm and positive relationships continue to the playground and outside the classroom. Staff and students have been discussing ways in which we can support all students in the playground to have positive interactions and how we can support students to be the best they can be. We are always open to ideas and support from our community in ways that we can improve our student relationships and support during break times.

Our school employed Play St landscaping to produce a landscaping masterplan for the whole school. This plan includes equipment and activities and this is available for viewing on our website or FB page. We will slowly be working through this plan as we can fund it and will be applying for grants to assist with this. If you would like to discuss this plan and see how you may be able to assist or share ideas please make an appointment to come and see me. If you have materials or equipment that may be useful and you are willing to donate then please feel free to contact the school.

Food and Fibre Classes

If you have not already seen the wonderful work that has been going on in our Food and Fibre classes then please have a look at the Facebook page:

<https://www.facebook.com/TDSfoodandfibre/>

The experiences and activities that have been happening in these classes have been amazing with students very excited to be here on Food and Fibre or Agriculture days to visit the farm and make real world connections to their learning. Well done to the team working to promote this great initiative.

Kind Regards, Ted Barrance
Principal

From the Sports Desk

The last couple of weeks have been busy for secondary students as we have just completed our Swimming Carnival series. Firstly we went to the Glenorchy Pool as a school to see who was the best we had! We had some impressive results with Amy W taking out a clean sweep of all events in the Grade 7 girls. Whilst the competition was much more fierce with the Grade 7 boys, with Riley L, Lachlan B, Sam B and Oscar W giving their all. In the Grade 8's it was Rianna S and Edie L dominating the pool, whilst in the boys, it was pretty evenly matched with Drew W, Declan M and Kobe P. The Grade 9's were all amazing, but the honours went to Abigail L and Brandon L, whilst Logan F and Jocelyn M broke the record for the 50m Breaststroke. The Grade 10 boys had a great time with Drew C, Luka S and Hasan C each taking one race, whilst Ashtyn W took the clean sweep in the girls. Haug then won both relays.

Final results were **Haug 118, Pillar 97** and **Raoul 88**.

We then took our best swimmers to take on the other district schools in the south to test our might!

We had a great day, with Abigail L, Jocelyn M and Ashtyn W all winning their Breaststroke events, plus a whole lot of 2nd, 3rd and 4th

placings to eventually finish in 3rd spot overall behind Oatlands and Sorell.

Congratulations to all our team who were Oscar W, Sam B, Riley L, Amy W, Declan M, Kobe P, Drew W, Abigail L, Melanie S, Jocelyn M, Logan F, Brandon L, Declan E, Luka S, Drew C, Hasan C, Ashtyn W and Lizzie S.
