## Principal News

Dear parents, carers and students

This is my final week at Tasman District School for 2019 as I am taking the acting Principal role at Warrane Primary School for the remainder of the year. I am excited and nervous for the challenges ahead but also sad to leave as well. For the next few weeks Mr Vaughan-Williams will be acting Principal and the Principal position will be advertised to start in Term 3 for the remainder of 2019.

### Mid-Year reports and Parent/Carer Teacher Interviews

This year we have changed the way reports will be handed out. In line with many schools around Tasmania we will hand out reports at Parent/Carer Teacher Interviews so you can go through the report with the Tutor Group teacher and the specialist teachers. In this newsletter you will have information about the interview process and how to book your interviews on line. The reason we are changing our process is to get the maximum engagement with parents and carers around student learning. To be able to sit down and discuss your child's progress and areas for development is a powerful conversation and a necessary step to ensure we have a supportive

model around improving student outcomes. If you have any questions about this then please contact the office on 6250 2126 to speak with Senior Staff.

I want to wish everyone a great finish to Term 2 with three weeks to go, I hope you finish your learning on a high and have a restful and reenergising holiday. I look forward to hearing about all the great things happening at the school for the remainder of the year.

**Kind Regards, Ted Barrance**  
**Principal**

Kindergarten 10.15am - 11.30am

For further information and a term program, please contact the school office on 6250 2126.

## Reports & Parent/Carer Teacher Interviews

In line with Departmental Guidelines, our major reports for the year **WILL NOT** be sent home, but will be available for **collection at Parent/Carer Teacher meetings** during the last week of term on **Tuesday 2 July to Thursday 4 July**. To **book a meeting**, please make a Parent/Carer Teacher appointment via our **online booking system** (details below) to meet with your child's teacher. If you are unable to access the online system, please phone the school office on 6250 2126 to organise a meeting.

**To book an meeting:**

Go to: <https://www.schoolinterviews.com.au/code>

**Enter the code: qzabu**

In the platform, you will be asked for an email address for confirmation and the name of the student(s). You will then be asked for the subject or class and the Teacher. Once you have entered these, you will be able to select a time from those available. If you cannot get a booking or are unavailable during this period, please contact the school and we will endeavour to find another time to meet with you.

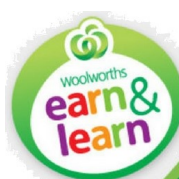

## Breakfast Club

TDS Breakfast Club was a bit different this Wednesday with **Tassal** providing and cooking waffles for the breakfast club, students really enjoyed these yummy delights! We thank **Tassal** for their continued support. Normal breakfast club is held on Tuesday and Wednesday mornings from 8.30am in the Trade Training Centre. All students are welcome.

## Earn & Learn Stickers

The **Woolworths Earn and Learn Promotion** is coming to an end. All stickers are due back to the school office no later than **Friday 21 July** to be counted and submitted so we can redeem them for educational resources. The Student winner for collecting the most stickers (1st, 2nd, and 3rd) will be announced soon after. Thank you to the **Port Arthur General Store & Takeaway** for donating first prize a \$20 lunch order voucher.

Over 7,000 great  
resources for your  
school to choose from

## Donation - Thank You

Thank you to Mel Batchelor for the donation of crutches to the school first aid room. The current pair we had were adequate but old wooden ones. We're hoping to never have to use them, but if we do, nice shiny aluminium ones are a lot nicer.

## Parents & Friends Update

### Tasman District School PARENTS & FRIENDS

**Thank you to everyone for your continued support.** So far this month we have held a sausage sizzle which raised **\$232.75**.

Parents & Friends are always looking for people who may be able to assist with events. We have started composing a list of contacts and if you are able to assist please contact any of our members or the school office and they will pass on your details.

#### Up Coming Events:

**Thursday 25 July** – Krispy Kreme Fundraiser – Pre-orders only glazed \$23 per dozen or assorted \$27 per dozen. Collect from the school hall 3-4pm (unless organised prior). Order forms have been sent home with students and there are also order forms at local shops, alternatively you can contact P & F members directly.

**Thursday 8 August** – Primary Disco – Kinder to Year 6 at the Nubeena Civic Centre from 5pm till 7pm. Entry cost is \$2.00, food and beverages will be available at an additional cost.

**Entertainment Books:** Entertainment books that were sent home with students are due back now, if wishing to purchase a book please do so via one of the following [www.entertainmentbook.com.au/orderbooks/91z9286](http://www.entertainmentbook.com.au/orderbooks/91z9286) or phone Amanda on 0478 607 168

## Primary School Health Nurse

**TDS had a School Health Nurse start with us on Monday 3 June. We welcome Ashley Wise to the team.**

SCHOOL HEALTH NURSES   
Better health for better learning

Hello, I am Ashley Wise, I am the new school health nurse at Tasman District school, working on Mondays and Tuesdays. I am very excited about this program and look forward to working with the school community.

A key component and a priority of the nurse role is to undertake **health assessments on the children in Kinder**. The health assessment covers vision, hearing, general health, oral health and any other concern the parent or teacher may have. It is essential consent forms are returned in a timely manner to ensure assessments can be completed next term. I will be spending time in the kinder areas so the children will have time to get to know me, prior to beginning these assessments.

**The health assessment (including hearing and vision testing) is also available for all children in the school if the parent or teacher or member of support staff feels it necessary.** Please contact Lyn Hallam (school support teacher) to organise a referral.

Alongside the assessments **I can provide health promotion that runs in line with local, state and national health promotion initiatives, some examples include:** healthy lunchboxes, sun smart, growth and development including healthy relationships, hygiene and hand washing, oral health and healthy bodies. **I am also happy to see children one on one for support.**

I like programs that are fun and teach children through doing rather than sitting and listening to me talk. I am always happy to listen to ideas and suggestions from others, so please feel free to come and have a chat to me.

I hope to spend time in all the classes to get to know the children and their teachers. You might also find me chatting to parents at school pick up time or breakfast club.

#### Management of first aid and illness

All schools have clearly defined procedures for managing first aid and emergency situations which are independent of the School Nurses availability.

In the case of serious injury or illness, including suspected anaphylaxis, altered consciousness or trauma school nurses have a duty to assist if they are available on site.

I am very excited to be your school health nurse! I look forward to getting to know everyone and to the success of the school health nurse program.

## From the School Health Nurse

### That time of year is upon us once again. Cold & Flu season!

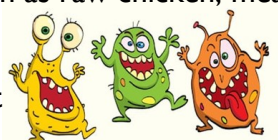

There are some very simple things families can do to prevent getting sick this winter.

**HANDWASHING** is #1 in the hygiene stakes. Keeping our hands clean with good hand washing is one of the most important steps we can take to avoid getting sick and spreading our germs (bacteria and viruses) to others.

Some illnesses and diseases that can be spread by poor hand hygiene are colds, influenza (the flu) & gastro, just to name a few!

We need to wash our hands:

- ⇒ before preparing and touching food
- ⇒ after touching food such as raw chicken, meat and fish
- ⇒ after going to the toilet
- ⇒ after coughing, sneezing and blowing your nose
- ⇒ after patting and playing with animals

It takes soap and water to wash our hands properly (or hand sanitiser if soap and water is not available) and we need to wash our hands for at least 15 – 20 seconds (sing the Happy Birthday song twice) to get rid of the germs properly.

**RESPIRATORY HYGIENE** – Respiratory hygiene is protecting other people from catching our germs when we are coughing and sneezing. When we cough and sneeze moist droplets are sprayed through the air from our noses and mouths. These droplets can carry germs a distance of up to 1 meter and some germs can live for several hours. If we use our hands to cover our coughs and sneezes we end up with the infected droplets on our hands which we can spread simply by touching objects.

Other people then touch these objects unknowingly and the germs are transferred to their hands. We need to use tissues to catch our coughs and

sneezes. We need to bin the tissues quickly and then we need to wash our hands (or use hand sanitiser if soap and water unavailable). If we don't have tissues at our disposal it is recommended that we sneeze or cough into the crook of our elbows.

If we are unwell it is best to stay at home until we have recovered. This lessens the chances of us spreading our illnesses to others.

## Primary Fun Run

Congratulations to all students who participated in the Cross Country Fun Run. Everybody trained well in their Physical Education lessons leading up to the event. Students did a great job to fundraise as well. As special thankyou to Ms Batchelor who helped set up the course and Ms Brown who organised the animals so the students could run safely through the paddocks.

Thank you to the spectators that came along on the day, Parents, Grandparents and Carers. Thanks also to Mr Chandler, and his Grade 7 helpers, Mrs Hull, Mrs Wylie and Mrs Linnell. A special thankyou to our starter Mr Barrance.

## From the Sports Desk

The School Secondary Cross Country has been run and won for another year. In ascending order the Grade 7 race was dominated from the outset by **Dieter W**, whilst **Isabella K** easily won the girls. In the Grade 8's **Declan M** and **Toby A** had an enthralling battle that went down to the last 3 metres before **Declan** was able to get in front. New student **Angel A** bagged the points for Pillar in the girls. In Grade 9 **Brandon L** was far too good for the rest of the Grade 9 boys while in the Grade 9 girls, **Melanie S** held off **Jayme N** in a fierce battle. The Grade 10 boys had a great turn out with **Reef T** taking the honours from **William E** before **Maggie E** had a convincing victory in the Grade 10 Girls. At the end of the day it was **Raoul who won with 89 points, Pillar on 71 and Haury on 61**. On Wednesday 5 June our best cross country runners went to the Interschool competition where all the public schools in the south take their best for a test against the rest. It was a horrible day with a cold chilling wind battering competitors all day long. The 2km loop around Bayview Secondary College had great viewing for the race. Our best result was **Lizzie S** who won bronze in the Grade 10 girls, **Melanie S** ran 7, whilst admirable results were there for everybody as they ran the best.

**Isabella K (49) Rianna S (48), Angel A (66), Jayme N (12), Abigail L(43), Ilse B (50), Maggie E (26), Ashtyn (40), Dieter W (77), Tobey J (92), Declan M (59), Kobey P (74) Brandon L (22), Declan E (25), Reef T (34), Luka S (50), Hasan C (53).**

The Tasman Sheep Team took 7 of their Hampshire Downs to the Campbelltown Show, there were four other Hampshire Down studs entered so the competition was fierce! For the Year 7's on our team it was their first ever show and they did a brilliant job! Despite the VERY early start, freezing temperatures and a long journey the students and sheep did us proud. Thanks to Stuart Cordwell for coaching and driving the bus and to Helen Bird for recording the results.

### Boston Children's Chorus – a FREE Performance at Port Arthur!

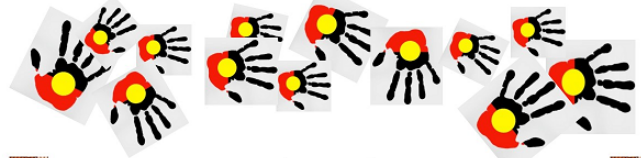

Port Arthur Historic Site is pleased to partner with the Festival of Voices again and this year we have a **FREE** pop-up performance of the highly acclaimed **Boston Children's Chorus**.

Made up of children from many communities throughout Boston, they represent diversity, discipline and the joy and power that music can bring.

They have performed across the world with their message of inclusion and sparking change, and now it is Tasmania's turn!

The concert will be held in the convict Church on site on **Saturday 13 July** from **2-3pm**.

Entry to the site is free for Tasman Council rate payers and local residents (please bring along rates notice or ID with address) but please remember that parking and access is through the Visitor Centre.
