23 August 2019

Principal News

In the coming days, parents will receive an invitation to participate in the School Satisfaction Survey for 2019. This survey is used to gather information about areas in which the schools is doing well, and areas for improvement.

This information will be used to develop our School Improvement Plan and help us to target areas of greatest concern. The survey is done online, using a unique code for each participant. All responses are anonymous and confidential so honesty is greatly appreciated. I will have an opportunity to discuss the results of the survey with the School Association Committee once the data is compiled. For those who are unable to complete the survey online, a paper based option may be collected from the office.

Letters are also being sent home which explain the Student Wellbeing Survey that we will conduct between September 3 and 13. Parents may choose for their child to not participate in the survey by returning the attached form if they have any concerns, although I would urge anyone to contact the school first so that we can explain why this data is important and does not pose a risk to students in any way. I will also be discussing this data with the School Association Committee so that we can proactively address any areas of concern.

Over the next few months, we will be undergoing the difficult and complicated task of organising staffing and

classes for 2020. The flow through of uneven class sizes and staff movements will mean that decisions must be made to meet budgetary restraints while maximising the educational outcomes for all students.

We are also hoping to expand upon our senior secondary programs with the addition of VET Agriculture and Horticulture next year. There is a lot of work still to be done, but any feedback from parents is welcome during this process.

Kind Regards, Ben Vaughan-Williams
Principal

Launching Into Learning

On **Friday 30 August** LIL Learn & Play is cancelled instead the Moving On program will be held from 9.00am to 10.30am.

On **Friday 6 September** Sorell Dental Clinic will be visiting the **LIL Learn & Play** program in the Kinder room 10.30am to 11.00am.

Launching into Learning, Term 3 held every Friday during school term.

Launching into
Learning
Moving On

School Hall 9.00am - 10.00am

LiL Learn & Play

Kindergarten 10.15am - 11.30am

For further information and a term program, please contact the school office on 6250 2126.

Quiz Night

The farm community is holding a **Quiz Night** and an **Annual Raffle** in the school hall on **Saturday 14 September**. We invite you to support us in these fundraising events. We would appreciate any items for **Quiz or Raffle Prizes**. It is especially helpful if quiz night prizes can be shared by a group of 6 people as they play in teams. The raffle runs from October to December and is drawn at our end of year Achievement Awards Assembly. All sponsors will be acknowledged and their sponsorship displayed in media publications. If there are any questions or to donate prizes please contact our School Farm Manager Jackie Brown on 6250 2126. To book a table of 6 contact the school office on 6250 2126 or just book and join a table on the night. See attached flyer for further details.

2020 Kinder Enrolments

In order to be well planned for 2020 it is vital that TDS have a good understanding of how many Kindergarten students we are expecting for 2020. If your child was born in 2015 please contact the school office for an enrolment form. Please pass this message on if you are aware of families within our school zone who have students of Kindergarten age for 2020. When enrolling in a Tasmanian Government school for the first time, the following evidence must be provided:

- Student Identity
- Parent/Guardian Identity
- Students Residential Address
- Immunisation History

If you have any difficulty providing evidence, please contact the office to discuss options. Our staff are happy to photocopy any of the required documents.

2019 Young Farmer of the Year

Congratulations to our K- 8 Food & Fibre teacher, **Mrs Ashley Evans** on winning the **2019 TP Jones & Co Young Farmer of the Year Competition**. We are very proud of her achievement.

The competition is a Rural Youth Organisation of Tasmania event open to young people, 15-30 years old. It involves competing in a diversity of modules, covering everything from fencing and finance to animal handling, machinery operation and safety.

Keep an eye out for next year's competition and don't be afraid to throw your hat in the ring. It's a great opportunity to network and learn along the way.

Water Safety & Swim Program

All students from Year 3 to 5 will be participating in a school funded **Water Safety & Swimming Program** from September 16 to Friday September 27.

If your child hasn't returned the consent forms for Aquatic Activities that were sent home in Term 1 please return to class teacher before September 9.

If you have any queries or questions, please do not hesitate to contact Lola Kinsella at the school on 6250 2126.

ABCN Interviews to Impress

On Wednesday 7 August Year 10 attended mock employment interviews at the Hobart Function and Conference Centre in Hobart. Before and then after the interviews they were asked to rate the questions below on how well prepared they felt to attend a work interview.

I understand how to prepare for a job interview

Before: 25% After: 75%

I understand what to do at a job interview

Before: 25% After: 75%

I am aware of the skills that employers are looking for

Before: 50% After: 75%

I have the confidence to participate in a job interview

Before: 19% After: 69%

I understand the importance of body language and non-verbal communication skills in a job interview

Before: 50% After: 75%

I understand how to answer interview questions based on my behaviour and previous experience

Before: 27% After: 80%

Student opinions on attending the mock interviews:

*The most useful thing that I learnt in this workshop was the range of questions that could be asked during an interview. These skills will be incredibly valuable for my future.

*I learnt that preparation is very important.

*The questions really helped me get a better

understanding of what I need to do to prepare myself for an interview.

*In a job interview I will keep good posture, maintain good manners and research the job.

*I will apply what I learnt to real world situations by preparing for the questions that I learnt today.

*I will practise with the new skills I learnt to increase my confidence.

*This workshop really showed me that interviews are scary but it also taught me that there are many ways to not be nervous.

*When I go for an interview I will be able to answer all the questions and be confident.

*I will apply this to make a great first impression.

*Have confidence, be yourself and body language shows a lot.

*The most important thing I learnt from the mentors was that interviews don't have to be terrifying!! The mentors were really encouraging and helped me to gain more confidence in the interview process.

*That you need to be organised, honest and confident when even waiting for an interview.

*I learnt about the mentor's previous experiences and the best way to answer some of the interview questions in a way where you don't limit your answers or say negative things about yourself, always turn things positive!

*It gave me an insight into what job interviews are like in a non-intimidating way.

*I've learnt a lot and this day has made me less scared about doing an interview.

*The context in the workshop was fantastic and it was very welcoming.

*I found it very friendly, and easy to get involved in.

Book Week 2019

2019 Book Week "Reading is my Secret Power" Parade was a huge success. Thank you to those students that took part.

Memorial Rose Garden

Due to the new school build the memorial roses that were planted in 1985 at the school entrance in memory of past headmasters were temporarily relocated. Thanks to Tino Carnevale who gave up his time and expertise to volunteer to replant the roses. Year 11 student April W who is doing a Horticulture course was able to learn on the job from a renowned guru. Thanks also goes to Tyson M for expert tractor work relocating the memorial stone, and Bec and Deb for their manual labour in the freezing wet and windy conditions. A huge thanks to all involved. The school and wider community are now able to enjoy the rose garden again in a prime location at the entrance to the school.

ALL PROCEEDS FOR THE SCHOOL FARM

the Carly Ryan foundation APP FACTS

CALCULATOR%

The calculator% app is an application that is designed to help the user hide photos and videos behind the applications screen.

This application appears to look like a calculator, but upon entering a passcode it opens up a private vault where files are stored securely and cannot be viewed in the iPhone or Androids default camera role.

To get files into your Private Calculator

In the app itself, you can tap the '+' sign to select Wi-Fi transfer, which gives you an IP address to type on your computer's web browser. You can also import files through your camera roll (photo's and videos).

Private Calculator can display and open a number of media types, including photo's (such as .jpeg, .gif, .bmp and .png files), videos (.mp4, .avi, .mkv, .wmv, .flv), music and audiobooks (.mp3), Microsoft Office files (.doc, .xls, .ppt), other assorted documents (.txt, .pdf) and even downloaded websites (.htm).

Challenges

Some of the concerns regarding this app are the fact that your child might potentially be hiding explicit photos, videos or other content.

If your child is under 18 years old it is illegal for them to produce, distribute or possess these types of images.

Child abuse pictures are illegal if they are:

- o asked for;
- o taken;
- o received and kept; or
- o sent, posted or passed around

The maximum penalties for child abuse material can be up to 15 years in jail and being placed on the sex offender register. The maximum penalty for an act of indecency is 2 years in jail if the person in the picture is under 16. If the person is over 16, the maximum penalty is 18 months in jail.

What can parents do to keep their kids safe on calculator% app?

- o Consider deleting this app
- o Remind your kids that everything is public
- o Have a dialog with your kids about sexting and sending inappropriate photos to others
- o Explain to your kids that they should be careful with sharing their photos with anyone, as they can be forwarded

It is important to have open honest communication with your child regarding sexting.

We always encourage open conversations around privacy and personal safety.

App Fact Sheets available from the Carly Ryan Foundation. Please email: info@carlyryanfoundation.com

the Carly Ryan foundation. APP FACTS FORTNITE

Age Rating in
the App Store:
FORTNITE 12+

Fortnite is a video game for PlayStation 4, Xbox One, Windows, Mac and mobile allowing up to 100 users per game onto an island/map to build structures, hunt for weapons and equipment. Players are dropped onto the game map and must compete to be the last one standing. There are three modes of play in Battle Royale: Solo, Duo and Squad.

Challenges

Micro transactions

There are opportunities for players to spend real money on items in the game.

Fortnite encourages a membership upgrade called a Battlepass, as well as in-game currency called V-Bucks to buy bonus items. You can buy things like new looks and new dances. Most platforms allow you to block in-app purchases via parental controls, so be sure to set up yours if you don't want your kids maxing out the credit card. CRF recommends using a pre paid credit card or gift card for in-app purchases.

The game's online chat feature (especially in Battle Royale) can expose younger players to offensive language, mature content and contact from strangers. CRF doesn't recommend games with open chat for kids under 13.

How do I turn off voice chat?

Open the Settings menu in the top right of the Fortnite home page by selecting the three bars, then the cog icon. Choose the audio tab at the top of the screen. From there, you can adjust several audio features, including voice chat. Turn the setting from on to off by tapping the arrows. You will need to take steps to make sure your child isn't exposed to the inappropriate language of other players by keeping them in solo mode or ensuring that they're teaming up with friends.

To report

Users can report other users for harassment, inappropriate language, bullying and hacking. Just click 'Email Us' and fill out the required fields. After selecting the Product and Game Mode, select Report Player as the Issue Type. This will make sure these reports are directed to the correct team.

If a user wants to delete a 'friend' within the game they can simply go to the icon on the top right of the screen with the three figures and select the user and click 'unfriend'. There is no way to block a user in the game. If a user is harassing another user they should follow the appropriate steps above to report them.

Like any online game, Fortnite can be a positive social activity that keeps kids connected to their friends (not to mention a great potential bonding experience if you choose to play with your child). Just be mindful of screen time and monitor that chat. We always encourage open conversations around privacy and personal safety.
