## Principal News

I had the pleasure of acting as lifeguard for the Primary swim off this week. It was really pleasing to see so many students eager to participate in many events, and supporting other students vocally during the races. There were a few impressive swimmers, and the impact of the primary swimming program over the past years was clearly evident. Many thanks to Lola Kinsella for her organisation of the day, and the other staff and parents who assisted on the day.

This term will be very busy, with camps, exams, reports and a whole raft of administration to sort out for next year. Tonight, we will celebrate the completion of 12 years of Schooling by our current year 10 class during a dinner at the Port Arthur Lavender Farm. I can personally say that it has been an absolute joy working with this group over the years and I look forward to hearing their stories of success in the years to come.

We are just starting on the arduous task of finalising classes and staffing for next year. While there will still be a few unknowns remaining until the end of the year, we should be in a position to have classes sorted and nearly all Teaching positions filled well before the end of the term. I will present the new line up to the School Association in week 9, and should have the elective classes completed by the beginning of the last week of the term. Parents will

be notified of their Child's Teacher with Reports at the end of week 9, and the students will meet their Teachers during the primary transition day in week 10.

Kind Regards, Ben Vaughan-Williams  
Principal

## Educational Adjustments

The Department of Education is committed to providing high quality inclusive education for students with disabilities, and supporting schools to become increasingly inclusive and responsive to meet the needs of all students.

From 2020, there will be a new approach to assisting students with disabilities to access, participate and engage in quality educational programs through the new Educational Adjustments disability funding model.

This new funding model will be implemented across all Tasmanian Government schools from 2020.

### Support for your child in 2020

From October 2019, the school will be provided with interim information about resourcing for students with disabilities for the 2020 school year.

Please speak with your class teacher, support teacher or Principal to discuss how your child may be supported through the new Educational Adjustment approach in 2020.

Further information for parents and schools is available at:

<https://www.education.tas.gov.au/education-adjustments/>

## 2020 Kinder Enrolment

In order to be well planned for 2020 it is vital that we have a good understanding of how many Kindergarten students we are expecting for 2020. If your child was born in 2015 please contact the school office for an enrolment form. This applies to families within our school zone who have students of Kindergarten age for 2020. When enrolling in a Tasmanian Government school for the first time, the following evidence must be provided:

- Student Identity
- Parent/Guardian Identity
- Students Residential Address
- Immunisation History

If you have any difficulty providing evidence, please contact the office to discuss options. Our staff are happy to photocopy any of the required documents to assist the enrolment process.

## Primary Star of the Week Assembly

TDS Primary Star of the Week assemblies held each Thursday of school term will now be held in the multi purpose room (at the top of the stairs). This updated space is more appealing and welcoming to our students and their families. Please remember to sign in at the front office if you choose to attend.

## Toy Drive - City Mission

Can you spare a small toy to brighten Christmas for a child?

Tasman District School are collecting presents for Hobart City Mission's (HCM) Christmas Assistance Program.

We have been assigned the age category 0 - 2 to purchase gifts for. This helps Hobart City Mission to ensure there is an adequate amount of toys in particular age categories.

As a guide, preferred gifts are: for the ages listed above, valued below \$50, with broad appeal, please remember to leave gifts unwrapped

Please drop off your donation to Tasman District School foyer before Monday 2 December.

For more information on HCM visit [www.hobartcitymission.org.au](http://www.hobartcitymission.org.au) or follow @hobartcitymission on social media

**Thank you in advance for supporting our local community!**

# Athletics Carnival 2019

On the first Wednesday of this Term we held our annual School Athletics Carnival which is always a great day of fun and competition.

Mrs Kinsella had the mini carnival going with some races, an obstacle course and the thong throw. They also watched our older students participating at events such as High Jump, Long Jump, Shot Put, Discus, 100m, 200m, 400m & 800m.

Some outstanding performances were **Hayden S** with a new 100m & 800m record, **Lara B** broke records in 100m, 200m 400m & Long Jump. **Aiden S** made new records in 100m, 200m & 400m. **Elka W** with a new 100m, 400m & 800m record. **James L** with a new 200m, Long Jump & Shot Put records. **Jack S** with a new 100m & 200m records and smashing the old Long Jump record by 50cm. **Lockie F** with a new 400m, 800m & Shot put records. **Sam B** with a new 100m record in Year 7 and **Jesse N** with a new Long Jump mark. **Edie L** with a new Year 8 record in the discus. **Declan E** with a new 200m record in Year 9. **William E** smashed the 400m record and almost eclipsed the 1 minute barrier for the Year 10 boys. **Jayme N** set a new Year 9 Long Jump record and **Ashtyn W** broke the High Jump record in Year 10. Plus the **Melaine & Lizzie S** rewrote all the Year 9 & 10 records respectively on the track with new 100m, 200m, 400m & 800m records. Well done to all the record breakers which have been unchallenged for 5 years.

Throughout the day, Haug maintained a very slender lead over Pillar, but with the big point events of the Tug-Of-War it was any teams win.

Raoul won the first, with the Primary girls then Pillar took the lead by winning the Primary boys. The Raoul secondary girls had a commanding win which meant going into the last event of the secondary boys, anyone could have won the carnival simply by winning the Tug-Of-War. Pillar won the day by taking care of Haug in the final with the last 25 points going to them to make it **Pillar 588, Raoul 551 and Haug on 543.**
