Principal News

We are rapidly approaching the end of the year, although there is still a lot to happen in a short time. The Year 8 & 9 Canberra trip and the Year 7 Camp will be on next week, as well as the Year 7 transition day on Tuesday, when this year's Year 6 students for Tasman and Dunalley will be able to experience High School for a day. Also next week, we will welcome next year's Kinder students for an orientation on Wednesday so that their first day of school will be in familiar surroundings with familiar faces. Last of all next week, there will be a Music and Arts performance in the Civic Centre, which will enable the community to witness the many talents of our students. The following week, we have the Year 10 Graduation Assembly and Reports will be sent home. Many thanks to all staff who have worked outside their normal hours to make all of these things happen for our students. It is a very busy time, and everyone will be looking forward to the summer break. During the last week of term, we will celebrate student Achievement at the ARA ceremony. Congratulations in advance to all those who receive awards, you have made all of us proud.

Kind Regards, Ben Vaughan-Williams

Year 10 Students

New Education and Training Requirements for Year 10 Students

Whatever a young person wants to do in life, there is a pathway to take them there. It all starts with education and training.

Students now in Year 10 are the first group of young people required to stay in education and training for longer under the Education Act.

Young people with full-time employment (or other specific circumstances) can apply for an exemption, so they can leave education and training early.

There are processes to assist young people plan and stay involved in education and training:

Together, these changes will support more students to stay in education and training and achieve qualifications that will improve their life chances and choices.

Young people have a wide range of options to meet the requirement to stay in education and training:

To find out more, see:

SCOTTSDALE SHOW

With Candina & Jocelyn representing Bushy Park and Brighton shows respectively in the **State Junior Judging Finals** it was time for a trip to Scottsdale Show.

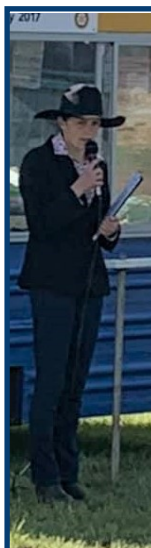

We loaded up the car with swags, bags and 4 students to make the 650km round trip. The ladies borrowed heifers from Fire-Ro Park Murray Greys and they shone.

Abigail, Jocelyn and Candina all made it to the finals of their age groups and Jayme looked the part in a heat of very talented handlers. With over 20 handlers in each age group, this is amazing. All 4 also competed in junior judging and spoke brilliantly. Abigail went on to win 3rd in 13-14 years. The ladies took out 2nd place in school team of 3 in a class of 6 teams.

Both Candina & Jocelyn were phenomenal in the State Finals. They really proved they are among the best in the state. Candina scored 173/200 and Jocelyn 166/200. With the winner (who has been doing it for years) scoring 190, both girls were not far behind.

Congratulations ladies on a brilliant show. Once again, you are doing us proud.

Oh, I almost forgot... the girls also won egg throwing competitions at the show. We can't miss that one!

Huonville Show

Students braved cold weather, sleeping outside in their swags before spending Saturday preparing and exhibiting their heifers. Congratulations team on another fantastic show.
